1. Remediating Department of Buildings Violations CLIHTF 2021 Inspection Compliance Plan of Action Policy:

****This policy applies to property owners who have Department of Buildings (DOB) violations. These property owners are responsible for providing their liaisons with a plan of action for remediating each of the DOB violations at their properties.**

A folder has been created in CLINKED for these property owners titled, "DOB Violations and or Remediation".

Property owners can view their DOB violation(s) in the aforementioned folder, and are responsible for uploading their remediation plan into the same folder PRIOR to submitting their next L1/L2.**

1. Landlords must upload a detailed plan of action for remediating their properties' DOB violation(s) to the "DOB Violation(s) and or Remediation folder in CLINKED. This plan of action should **NOT** be brief.
2. The plan of action must include submissions to match each violation.
 - Each submission must include the violation code as well as the citation details.
 - Each submission must include a completion date for when the issues will be remedied. The date must be within 90 days (weather permitting) of when the violation was reported.
3. If the violation requires the use of a contractor to remedy the issue, the property owner must include proof that a contractor has been hired and scheduled to remedy the violation.
 - Examples of proof of hire are receipts, email correspondence, or a copy of an independent contract agreement.

3. 2021 Bravura Annual Inspection Policy Update:

CLIHTF's inspection contractor, Bravura, started conducting annual inspections on April 1, 2021. Bravura has current contact information for all participants and will email participants to schedule annual inspections. **PLEASE DO NOT CALL OR EMAIL BRAVURA FIRST TO SCHEDULE INSPECTIONS.**

When it is time for annual inspection, the property owner will receive an email invitation to join Bravura's document management portal THRYV. Property owners will be able to view the Housing Quality Standards pre inspection checklist in the THRYV portal. Property owners will also be able to view the inspection date and inspection results in the THRYV portal.

Before the inspection is scheduled, property owners must ensure that the Trust Fund unit(s) to be inspected correspond with the unit numbers on Exhibit J of the property's **CURRENT** annual agreement.

If the Bravura inspector arrives at the property and the units to be inspected do not match the unit numbers listed on the property's **CURRENT** Exhibit J, the unit will not be inspected, and the property owner will be charged a fee of \$35.

If the Bravura inspector arrives at the property, and is unable to access the unit(s) for inspection, the property owner will be charged a fee of \$35.
