Landlords, did you know?

Following CLINKED Protocol Will Expedite the Disbursement of Your Quarterly Payments

1. Please note that properties are divided among Trust Fund staff. Your staff liaison is subject to change. **Remember to click the "members" tab in CLINKED periodically, to view your current Trust Fund liaison.**

2. Saving and naming documents correctly will result in expedited review of documents and quicker processing time for quarterly payments. **When uploading documents to CLINKED, each document title should include the name of the property, the current year, and the name of the document being submitted. All documents should be uploaded in PDF or Excel format.** Unidentified documents will cause a delay in the review of your documents and processing of your quarterly payments.

3. Uploading documents to the correct folders will result in expedited review of documents and quicker processing time for quarterly payments. **All documents should be uploaded to CLINKED in the correct folders and subfolders created by the Trust Fund Liaison.** Please do not create extra folders, unless you are creating separate sub folders for multiple tenants' documents or leases and lease riders. **You can access the guide for uploading documents correctly by clicking the link to the right.**

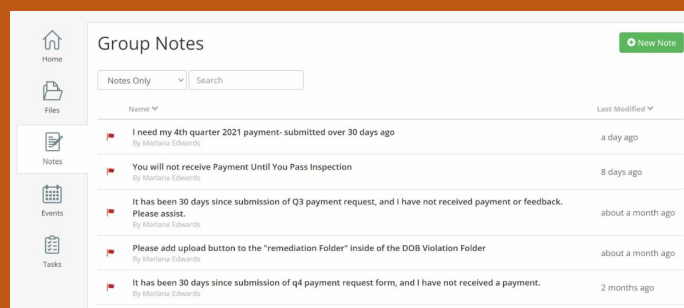

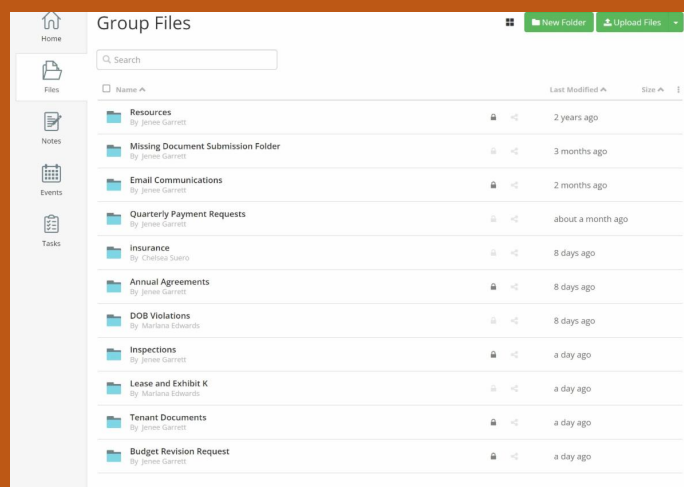

4. Please use the "notes" tab in CLINKED to communicate with your Trust Fund coordinator. "Notes" should be the first line of communication with the Trust Fund liaison.

5. Please Register for our upcoming CLINKED webinar for assistance with navigating CLINKED and submitting documents correctly.
